

San Diego Water Board Meeting
Action Items
September 9, 2020
(underlined names are responsible for the action)

Public Forum

1. Board Chair Abarbanel requested staff send a letter to the County of Orange regarding public breaching of the Aliso creek beach sand berm for recreational purposes.
Course of Action: David Barker will prepare a letter to the County of Orange regarding this issue for Executive Officer consideration.
Hours needed to complete request: 30
Estimated Completion Date: October 2020

Item 2 – Chair’s, Board Members’, State Board Liaison’s, and Executive Officer’s Reports.

2. Board Chair Abarbanel requested information regarding the scientific data to support the Governor’s assertion that the 2020 wildfires are due to climate change.
Course of Action: Jimmy Smith will provide available information to the Board in an Executive Officer’s report.
Hours needed to complete request: 40
Estimated Completion Date: November 2020

Item 3 – Future Agenda Items

3. Board Chair Abarbanel requested an update on new scientific information regarding climate change and how we are including climate change considerations in our work.
Course of Action: Jimmy Smith will provide information regarding any new climate science and our climate change efforts and plans during the Practical Vision update Board item that will include a new chapter devoted to climate change.
Hours needed to complete request: 60
Estimated Completion Date: December 2020
